Grayling Legion Plans \$20,000 Remodeling Job On Alleys, Building

The Grayling American Legion Post 106 has started a complete remodeling program of its community bowling alleys.

At a meeting held recently it was voted unanimously to appoint Glenn E. Sawyer, member of the house committee, to act as coordinator of the project, which will cost approximately \$20,000.

The front of the building is to be remodeled with a new sign and lighting. The entrance will be built out with brick and new aluminum glass doors.

The present snack bar will be replaced with a new and modern low-boy counter with stools and a complete new back counter with facilities to handle snacks of all kinds. The counter space will extend 15 feet and incorporate the manager's stall. Around this area indoor incense will be installed. The rest of the concourse area will be completely carpeted.

The old spectator seats are to be removed and all new bowler settees and scorers' tables are to be installed. These are to consist of individual plastic contour seats hooked together to form a semi-circle around the scorers' table. In the concourse area there will be five 36-inch-diameter tables, with four completely upholstered semi-circular chairs at each table. These are to replace the present spectators' seats.

For the comfort of the bowlers, Mr. Sawyer stated, that one of the most significant renovations will be a complete Westinghouse air conditioning unit, also Westing-

house air purifier units to afford healthier bowling conditions.

The present ball returns are to be changed to the extent of adding hand air-drying units and chrome support legs. The locker room is to be improved with the addition of 30 new modern locker units. All the old lockers will be painted to match the new installation.

To go along with the modernization, Mr. Sawyer said "We are going to install all new lighting fixtures which will be engineered by Vend-A-Ray Corporation of Toledo, Ohio, along with the painting of the ceiling and walls to match the color scheme of the new fixtures."

Robert LaMotte, Jr., has been hired as the bowling alley manager. The snack bar will be operated by some young lady yet to be named.

The Legion Club bar which adjoins will be included in the area where the air purifier and air conditioning units are to be installed, plus new seating facilities.

Bobby Mitchell poses with a three pound, one ounce Rainbow Trout he caught in the fishing area restricted to children on the East Branch of the Ausable last week. The fish was nineteen inches long. Bob was using bread for bait. We used to use bread to lure minnows. This was a sizeable minnow, to say the least. Bob, eleven years old, is the son of Mr. and Mrs. Robert Mitchell, Grayling.

THIRD ANNUAL

Frederic Homecoming Set For Next Weekend, July 24th, 25th, 26th

The third annual Frederic Homecoming will be held in Frederic next weekend, July 24, 25, and 26. The event, which last year drew nearly four thousand people over the weekend, begins Friday with a carnival, followed by the games party at the Town Hall, ending with fireworks in the new City Park.

On Saturday, July 25th, there will be various booths at the Town Hall handling bake sales, toys, souvenirs, fancy work, opening at 10 a.m. There will also be an archery booth for those who wish to try their skill. An ox roast is scheduled for 12 noon Saturday in the Sportsman's Club field. A donkey baseball game will be played there at 2:30 in the afternoon. Saturday evening a reception for high school alumni is sponsored by the Frederic Parent-Teacher Association, from 7 to 9 p.m., followed by the Queen's Ball, in the High School gym, from 9 until 11.

Sunday morning is reserved for attending the church of one's choice. The celebration resumes at 12 noon with another ox roast. A band concert will begin at 1 p.m. in the City Park. The big parade will start at 2:30 p.m. at the south end of Frederic on Old 27, and proceed north to the Fire Hall.

A greased pig contest is to be staged at 3:30 p.m., again at the Sportsman's field. A real Indian pow-wow at 4:30 will wind up the three-day celebration, which will be an opportunity for many pleasant hours of renewing family ties, seeing old friends, and enjoying the many entertainment features into which many weeks of planning have gone. The slogan for next weekend is, "Yes, Frederic Welcomes You in '64, As You Have Never Been Welcomed Before."

DISCOVER TWO T. B. CASES IN COUNTY
Crawford County is one of forty counties in the state where there was an increase in new active cases of tuberculosis last year, the Michigan Tuberculosis and Respiratory Disease Association, state Christmas Seal agency, reported today.

The Michigan Department of Health records show there were two cases discovered in the county in 1963 compared with no cases in 1962. MTRDA's statistical division said.

In the entire state, 2,433 new cases of active tuberculosis were discovered — an increase state-wide of 145 cases, the records show.

Twenty-nine counties reported a decrease and in fourteen others the figure remained the same.

In Wayne County, the incidence increased 5.19 per cent and in the rest of the state the increase was 6.9 per cent.

Grayling Nine Loses To Boyne City 6-0

The Grayling Independent baseball team played Boyne City here Sunday, and found themselves up against some pretty good pitching. B. Darbee of the Boyne team pitched a no-hit, no-run game, his team piling up runs to total 6-0 at the end of nine innings. Gidner was the pitcher for Grayling. Jr. Wilson of Boyne collected three hits, O. Moore, Koelsh, and D. Wilson one hit each, and B. Willson and pitcher Darbee two hits each, totaling ten hits off Grayling.

The Independents will play the Harbor Springs team here next Sunday, July 19th, at 2:30 at the Winter Sports Park ball grounds. The public is invited to come and see the game, and the home team will naturally appreciate some support.

PLANS TO OPEN MINIATURE GOLF

A new feature for entertainment will open soon in the county. It is the miniature golf course located just outside the west City limits on M-72, operated by Clare Madsen Jr. The 18-hole course is expected to be in operation either this week or next. Mr. Madsen stated, to begin with, the hours will be from 12 noon to midnight. All equipment necessary is available at the park.

NET, BIG PIKE

R. David Wood and wife Jeanette, daughter Karen and son Mark of Reading, Pennsylvania, vacationing with their parents and grandparents Mr. and Mrs. Thomas E. Wood of Saginaw at a Linville cottage at McIntyre's Landing, landed a large pike after a battle in the high wind and rough water on July 8th. The pike, measuring 31½ inches and weighing nearly 7 pounds, ranks among the larger ones taken at Lake Margrethe in recent years during the summer season.

Announce Wedding Plans

A Sept. 19 wedding is being planned by Miss Sandra Claire Dunham and Gerald A. Smith as announced by her parents, Mr. and Mrs. Wesley D. Dunham. Mr. and Mrs. Isadore Smith are parents of the prospective bridegroom. All are of Lansing. Miss Dunham is the grand daughter of Mr. and Mrs. Earl Davidson and Mr. S. O. Dunham, all of Grayling.

I am sure you will be interested in knowing about food, and the manner in which it is eaten. I find it quite different than in the States.

First of all, there are three courses. The first usually consists of soup, potatoes, vegetables, or something on this order. The second course is a salad and meat. The meat is usually beef. The third course is dessert. Most of the time the dessert is fresh fruit and on special days we have small pastries. Of course there is wine with every meal except breakfast. For every course a clean dish is used.

For breakfast I have hot chocolate and cookies. Lunch, which is eaten at 2:00 p. m., is the largest meal and dinner is eaten at 10:00 p. m.

Much of the food is cooked in olive oil and is very greasy. The bread is made in long loaves, unsliced, and is just delicious.

From what I have just told you it would be easy to conclude that one could gain a great amount of weight here but this is not so. Most of the people do not have cars, therefore, we walk off everything we've eaten.

I must close for now as it is time to eat. Good-bye.

Kiwanis Club Notes

Wesley LaGrow
The weekly meeting of the Kiwanis Club of Grayling was held Monday evening at the Chief Shoppe on Motor Hotel, Bruce Carlson was in charge of the program and screened a film entitled, "Keweenaw Crossing". The film followed the construction of the huge lift bridge which crosses from Houghton to Hancock in the Upper Peninsula.

Next week's meeting will be held at Camp Ausable at the usual time of 6:15 p. m. Tom Koerke will talk on his experiences as a page boy at Lansing. Members are urged to bring their sons to this meeting. Make a reservation at the hotel for him.

Grayling Masonic Lodge Entertains Sojourners

The Grayling Lodge No. 356, F. and A. M., entertained the Sojourners of the Michigan National Guard at a meeting and buffet dinner Sunday evening in the local Temple. Around fifty persons were present. A film from the Bear Archery Company, "Kodiak Country," was shown.

SERVICES HELD FOR INFANT

Graveside services were to have been held on Wednesday afternoon, July 15th at one o'clock for the infant son of Mr. and Mrs. Richard Marchinski. Tod Francis was born at Mercy Hospital at 2:30 a.m. Tuesday, Fr. Joseph Sakowski was to officiate and burial to be in Elmwood Infant Cemetery.

Mr. and Mrs. Harry Canfield and Mrs. Walter Marchinski of West Branch are the baby's grandparents.

Review This Saturday

Capt. Edmund A. Rutkowski, son of Stanley F. Rutkowski, 700 Michigan Ave., Grayling, Mich., completed a six-month ordnance officer career course at the Army Ordnance Center and School, Aberdeen Proving Ground, Md., July 1.

The course is designed to prepare officers for immediate performance of command and staff duties in all areas of Army ordnance. The 40-year-old is regularly assigned to Headquarters District, Army National Guard, at Camp Grayling, Mich. A 1962 graduate of Grayling High School, he attended the University of Illinois, Champaign, Ill.

District Home Service Appointment Revealed

Appointment of Alice Jean Richmond as a home service representative for Michigan Consolidated Gas Company's Northern District was announced by Robert Grice, district sales manager. Miss Richmond will assist Karen Chabuesch, district home service director.

In her new post Miss Richmond will present food and appliance demonstrations to women groups and arrange special programs for churches and schools here and in other Northern Michigan communities served by the utility. She will also test new food recipes which the company offers to its customers as a public service.

A graduate of Mt. Pleasant High School, she majored in home economics and psychology at Central Michigan University, receiving the Kiwanis award for outstanding scholarship and leadership while at Central Michigan.

Before joining Michigan Consolidated Miss Richmond was employed by Central Michigan Community Hospital.

Miss Richmond is the daughter of Mr. and Mrs. L. D. Richmond of 407 S. Kinney, Mt. Pleasant.

BLOOD PROGRAM

The Rev. Charles McMahon, recruitment chairman for the Red Cross Blood Program has called a meeting to be held Monday evening, July 20, at the hospital at 8 p.m. it is announced by Blood Chairman Derek McEvers. Twelve workers have been recruited with more expected before Monday night's meeting.

"Iron Fist" Division In Field Training

Michigan's Gov. George Romney will return from the "political war" of the Republican National Convention in time to preside over the equally serious annual 46th Division Review and Memorial Service of the Michigan National Guard this weekend.

An estimated 4,000 visitors are expected to witness events at Camp Grayling. The mid-weekend activities are highlights of the Guard's annual summer encampment.

Saturday's 11 a.m. Division Review will be the second presided over by Romney as Commander in Chief of the Michigan Guard.

Events take a somber turn Sunday at 10 a.m. memorial service honoring past war heroes on the camp's Division Hill. Gov. Romney will be the main speaker.

Nearly 6,000 Guardsmen will take part in the two events. Preparations start Friday when nearly 4,000 troops break down pup tents and move back into main camp from the field. The required bivouac period began early Monday.

Training the first two days was carried on in hazy rain, the unwanted guest of the foot soldier. Although the frequent rain added discomfort to life in the field, it did much to diminish the hazard of forest fires, usually a problem. The infantry troops have been going through combined armed

training this week with two tank battalions, engineering units, artillery and aviation support.

Training progressed under the watchful eyes of Fifth Army Evaluators, who once again are using the difficult new scoring system put into effect for the first time last year. The system gives every unit 75 points at the outset, with points added or deducted, depending on unit efficiency.

The Guardsmen will spend their second week of training in a huge tent city attending classes and also going into the woods on field problems.

While most are enjoying the luxury of regular camp life, however, six units will take their turn in the field, including companies from Flint, Saginaw, and Port Huron.

Part of the troops conclude their training Sunday and return to home stations. They are 1,500 men in a special armor task force that arrived a week in advance of regular troops.

The first week's training was witnessed by a variety of visitors. Deputy Continental Army Commander Brig. General Charles F. Tank of CONARC headquarters in Ft. Monroe, Va., arrived Tuesday night and reviewed training until Thursday morning. State newsmen were guests all day Thursday at the first mass news day in recent years.

DINNER EXPRESSES THANKS

Senator Hart Approves Plan To Develop Year Around Area Here

An appreciation dinner for United States Senator Philip A. Hart, for his assistance in obtaining a \$78,000 loan in Federal funds for the City of Grayling for a storm sewer program and the remodeling of the former power plant building into a new City Hall through the Accelerated Public Works program, was given Monday evening at the Lone Pine Inn. At this time Senator Hart publicly announced his endorsement of a loan from the Area Redevelopment Administration to aid with the proposed improvements at the Grayling Winter Sports Park, now known as the Grayling Recreation Area, Inc. having recently received their incorporation papers from the state.

A complete year around recreation facility at the sports park is being planned which will hopefully employ between 75 and 100 people. A loan has been applied for and is being considered in Washington. Senator Hart gave the project his blessing, saying it is a very worthwhile program and should be given every consideration. He remarked what a wonderful thing it is that the National Guard (the park property is state property under control of the military, but is on lease to the Recreation Area Inc.) the Federal government and local people can all work together for the good of the entire area.

At the present time, a new warming room is being added to the ski rental building and the elevation of five ski slopes is being raised some 20 feet. Lewis Stillwagon, president of the Recreation Area Inc. promised to reveal further details of the proposed plan as they develop.

A feasibility study, resulting in a sizeable catalog of compiled facts and sanctions for the year around facility was made. This was done before the plan was presented to the Area Redevelopment Administration for the proposed loan. Many people took part in the study to prepare this prospectus and a full story of their efforts will be carried at a later date.

Among the seventy-one who attended for the chicken dinner were Misses Con. Ronald D. McDonald, Adjutant General of Michigan and Brig. General Carson Niefer, Quartermaster General of Michigan representing the Michigan National Guard, Dr. E. J. Gerson of Clare, a candidate for the Senate from the 34th District, Terry Murphy who accompanied Senator Hart to Grayling, Bill Landrum of Reed City and from Grayling, representatives of the City Council, Winter Sports Board, Library Board, School Board, County Democratic Committee, precinct and township delegates, businessmen, Area Planning Board, newspaper and radio, hospital, county government and local industry.

Mrs. Bud Gould, County Democratic Chairman, who organized the meeting, was mistress of ceremonies. Sister Mary Janice, (Continued on Page 8)

William Kraus Named Bank Vice President

William Kraus, who joined the staff of the Grayling State Bank in June, was elevated to the post of vice president by board action at the board of directors meeting held on Tuesday of last week.

Mr. Kraus, a native of Grayling, graduated from Grayling High School and attended the University of Detroit prior to going into service during World War II. He spent four years in the U. S. Marines, seeing service in the South Pacific theatre of operations.

Upon his return from service, Mr. Kraus joined his father's firm, the Commonwealth Casualty Company where for the past ten years, he has served as agency director and vice president of the insurance firm.

Mr. Kraus and his family moved to Grayling to make their home in June. At present they are at home at Lake Margrethe but hope to have a new home under construction in the next two weeks or so in the North Park Subdivision. Mr. Kraus and his wife, Gloria are the parents of three sons, ages 14, 11 and 2.

Other board action named vice president Glenn Sawyer as the Secretary to the Board of Directors.

FORM TRI-COUNTY BOARD OF REALTORS

A group of about thirty realtors, real estate brokers and agents gathered at the Indian River Inn Thursday, July 9, to organize the Water Wonderland Board of Realtors, affiliated with the Michigan Real Estate Association and covering the three counties of Crawford, Oshtemo and Cheboygan. Many of these had previously been members of the Northeastern Board of Realtors, but decided to form their own Board whose interests lie closer closer to their own area in the northern counties along I-75.

The meeting was presided over by Bert Saunders of Lansing, Executive Secretary of the Michigan Real Estate Association.

Temporary officers elected were Charles Holtcamp, Grayling, President; Clare Glasser, Grayling, Vice President; Al Eckelman, Cheboygan, Treasurer; and Donna Renard, Grayling, Secretary.

The Water Wonderland Board will receive its charter in about two months. Meetings will be held the second Thursday of each month and will rotate between the three counties represented. The next one will be in Cheboygan county, on August 12th.

Methodists Install New State Bishop

Dwight Ellsworth Loder was recently installed as Bishop of Michigan's 28th annual Methodist in a one-year ceremony at Cleveland, Ohio.

What makes the event of more special notice in Grayling is that Bishop Loder was president of Garrett Biblical Institute when John Wesley Smith, pastor of Grayling's Methodist Memorial Church attended.

Bishop Loder received his Bachelor of Divinity degree in 1960 from the hands of the new Bishop. In fact Bishop Loder is leaving Garrett on the shores of Lake Michigan in the heart of the Northwest to be installed as bishop to assume

Governor Romney To Speak In Grayling Saturday Night

Governor George Romney

Governor Romney will give a short speech to all interested citizens and will be glad to meet people and answer any of their questions. The Governor, who faces a terrifically busy schedule all day Saturday with the Division Review and the reception and ball at the Camp Grayling Officers Club Saturday evening, chose to take some time out to talk to the people of Grayling.

Summer Fluoride Program Starts On July 24th

Dr. Georgia V. Mills, Director of District Health Department No. 1, announced that the summer topical fluoride program for Crawford County will begin on Friday, July 24. The unit will be set up on this date at the Grayling High School, with approximately 120 children participating.

The program is sponsored each summer by the Health Department in cooperation with the Michigan Department of Health.

Miss Carol Latkowski is the technician assigned to this unit. The technicians are dental or dental hygiene students recruited by the Michigan Department of Health and were given special training in topical sodium fluoride treatment from health department Dentistry Division consultants. They attended a two-day orientation program at Ann Arbor prior to heading for their assigned communities.

Each child will have four appointments. At the first appointment the teeth are cleaned and fluoride is applied. At the following three appointments only fluoride is applied. The children will be taught the proper methods of toothbrushing and given information about the kind of diet that is best.

The unit will be set up in the Grayling High Band Room. The treatments are scheduled from 9-12 a. m. and 1-3:30 p. m. through August 4th. Appointments have been sent to parents of the children receiving the treatments.

Announce Engagement

Mr. and Mrs. Arthur V. Carlson announce the engagement of their daughter, Julia Ellen, to Frederick Arthur Powers, son of Mr. and Mrs. Harold S. Powers of Gladwin. An August 29th wedding is planned.

Mr. Powers is a senior at Central Michigan University. Julia Ellen is a senior at Grayling High School.

Award Contract For Highway Repair Work

Lansing — The State Administrative Board Tuesday awarded 15 contracts totaling \$346,080 for highway and railroad crossing work in 13 counties, the State Highway Department reported.

Among the contracts awarded was in Crawford County, a \$1,772 contract to the Central Paving Co. of West Branch for pavement repairs on I-75 Business Loop in Grayling.

Give Financial Resume Of July 4th Program

Speaking for the Grayling Fire Department as a whole, Fire Chief Frank May welcomed support from any organization or individual who wishes to help out in next year's celebration of July Fourth. Both man power and financial contributions will be gladly accepted, and people may contact the Department membership, who will let them know how best they can be of service.

Chief May again expressed thanks to all those business places and individuals who contributed towards this year's program, stating that a complete listing would take up far too much space. However, he reported that money the Department raised through its activities totaled \$945.91, and contributions totaled \$682.90. The Department thus was able to achieve its goal of raising at least two-thirds of the total \$1,608.81.

Expenditures for the celebration included \$100 for fireworks, which figure is at a 40 per cent discount because of early purchase; expense of the meals through which the department raised money, \$489.60; tickets and advertising \$54.47; decorations \$44.41; purchase and care of pigs \$42; sky divers \$100; orchestra \$100; cash prizes, water melons, electrical outlet for orchestra, banners, backing for banners, gas for the sound truck, and so forth \$93.12. These expenses add up to \$1,433.81, which leaves a start on next year's celebration of \$175.

Contributions for next year's July Fourth have already begun coming in, and Chief May reports that so far the following amounts have been received: Russ and Dot Mapleshorpe \$5; Mr. and Mrs. Beverly See \$5; Bob Smock \$5; Harry Hoerl \$5; Roberta Hauxwell \$10; Katherine Nave \$10; Stan-Madsen \$10; Les Hunter \$20; Larry McNamara \$25.

Anyone wishing to contribute may write a check to the Grayling Fire Department Fourth of July Celebration, or contact the firemen and they will pick it up.

NOTICE

There will be no services Sunday July 19 and July 26 at the R. L. D. S. church in Grayling, due to reunion week, which runs July 19 through 26 at the Park of the Pines, Boyne City. Midweek services will be held as usual, however.

A Sept. 19 wedding is being planned by Miss Sandra Claire Dunham and Gerald A. Smith as announced by her parents, Mr. and Mrs. Wesley D. Dunham. Mr. and Mrs. Isadore Smith are parents of the prospective bridegroom. All are of Lansing. Miss Dunham is the grand daughter of Mr. and Mrs. Earl Davidson and Mr. S. O. Dunham, all of Grayling.

From the left are Brig. Gen. Carson R. Niefer, Maj. Gen. Cecil L. Simmons, 46th Division commander, Mrs. Simmons, Mrs. Howard H. Arbury, Howard Tarbell, Chief of Selfridge Field, Post Exchanges, Brig. Gen. Howard H. Arbury, Mrs. Billy Kinkor and Billy J. Kinkor as commander, a ribbon was cut last Saturday to officially open the Camp Grayling Post Exchanges.

Operation of Camp Grayling's six post exchanges by the Army Air Force Exchange Service was officially opened Saturday at a ribbon-cutting ceremony. Fifty area residents will be employed by the Service until Sept. 7, according to Gerald W. LaBounty, resident manager.

The Service is a world-wide organization created by an act of Congress 60 years ago "to protect the rights of the service men," according to LaBounty. It is a means of standardizing prices in post exchanges, both at home and abroad, for Army and Air Force personnel. All prices within the Service are set once a year by Congress. Although the Service has been serving other National Guard training sites in the nation for about 12 years, this is the first time it has entered into an agreement with the Michigan National Guard. Operations in the United States are broken into four regions—North, South, East and West. Camp Grayling is under direction of the Eastern region, with headquarters in Baltimore, Md. LaBounty is serving Camp Grayling on a temporary basis. He normally is assigned to Selfridge Air Force Base in southeastern Michigan. Maj. Gen. Cecil L. Simmons, 46th Division commander, cut the ribbon during a ceremony at the main post exchange.

me into his office and said, "You know, Ray, that the white pine which once covered nearly the whole state of Michigan, is now gone. We are now logging mostly birch, beech, and maple which we can use for flooring, furniture, veneer, and inside finishing for homes." I made no comment, but I knew that he had something on his mind.

"You know," he continued, "I always thought the time might come when I needed some good old white pine. So I set aside 30 or 40 acres not far from Grayling, just west of the tracks that run to Lovells and Lewiston. There are a few big pines there, but a lot that are about a foot or so in diameter and in time they will be ripe for logs if we can keep the fires out."

I agreed, of course, and asked "What do you want me to do, Mr. Hanson?" He replied, "I want you to get some men (there is a jobber cutting cordwood near the pines), and put a 100 foot fire-line around

the timber. Clear away all the slash and burn it and then plow and drag the fire-line, so that it is bare earth. I will pay \$35.00 a month for each man. Let the jobber run the crew and explain exactly what I want him to do, and go up every few days and see that they do a good job.

Next day I went up to the pine tract, found the jobber, explained what the old man wanted, and told him that Hanson would reimburse him for any loss to his cordwood cutting activities.

In a few weeks the work was completed and Hanson drove up to inspect it and was not only pleased but impressed with the manner in which his pine tract had been isolated from the fire danger.

There were numerous slash fires during the years that followed, but the fire-line held and the trees survived and grew.

In the early 1920's Mrs. Hartwick, wife of the then late Major Edward E. Hartwick, visited Grayling and among her visits went to see the pines.

She immediately contacted Mr. Hanson and said she would like to purchase the tract and establish it as a memorial to Major Hartwick. The details were quickly arranged.

And now The Hartwick Pines is a State Park. They stand not only as a tribute to a gallant army officer, but also to the foresight of a grand old lumberman who thought the day might come when "he would need a bit of white pine."

Bits O' Talk

Maria Luisa Vicente de Vidal returned to her home in Mexico City July 1st, after spending seven months in Grayling as an exchange student, guest of the A. J. Sorenson family. She left from Milan, Michigan by train the Sorensons taking her that far before bidding her farewell.

Guests of the Chum-Longworths recently have been his cousin, Jack Luxton of Saginaw, who came to fish one day. Mrs. Longworth's parents, the Charles Grandys and Arman, her sister and family, Mr. and Mrs. John E. Archambeau, Pamela, Michael, Jeffery and Jill, her brother and family, Mr. and Mrs. Galen C. Grandy, Gary and David, all of Saginaw, who spent the holiday weekend, Friday through Sunday.

Mr. and Mrs. Louis Levitt and daughters Pam and Robbin of Waterford were callers on the Herb Fergusons Monday of last week. Mr. Levitt is a nephew of Mrs. Ferguson and they had not met for a number of years.

Mr. and Mrs. Roy Hough of Grand Lodge spent the holiday weekend with his sister and husband, the Carl Doros.

Mrs. Carol Berry and two children of Lansing visited the Stanley Berry family Wednesday and Thursday before the Fourth. Other recent guests of the Berrys have been Mrs. Berry's aunt and uncle, Mr. and Mrs. Max Stearns of Perrysburg, Ohio, and Mrs. Elizabeth Waitman, Susie and Vickie of Rising Sun, Ohio. They took Mrs. Berry's mother, Mrs. Laura Diver, back with them for an extended stay in Perrysburg.

Mr. and Mrs. Alfred Andries of Detroit have purchased a cabin on M-72 and are spending the summer here. Their guests are their daughter Mrs. Ronald Proulx and children and Miss Rita Andries of Detroit.

DOBSON-BOND WED IN VASSAR

The marriage of Miss Joan Carroll Dobson, daughter of Mr. and Mrs. Elwyn C. Dobson of Vassar, and Mr. Jonathan T. Bond, son of Mr. and Mrs. Frank L. Bond of Grayling, was solemnized at the First Methodist Church in Vassar on June 13, 1964. The five o'clock ceremony was performed by the Rev. Calvin C. Rice of Reese before three hundred guests. Organist was Kendra Wesley of Vassar, who accompanied Miss Sandy Copeland of Cass City when she sang "Because," and "The Lord's Prayer."

Bouquets of aqua-tinted flowers graced the altar, with baskets of the same flowers at each side. For her wedding, Miss Dobson chose a chapel-length gown of white organza with controlled skirt, fashioned with a scoop neckline and pearl-trimmed bodice and midriff. She carried a cascade of pink roses and white carnations with streamers. Her veil was held by a pearl crown.

The bride's sisters, Miss Diane Dobson, and Miss Cathy Ann Dobson, were maid of honor and flower girl. The Misses Linda Swaff, cousin of the bride, Jennie DeCoe, Sally Edzik of Cass City and Mrs. Tim Perry of Grayling were bridesmaids. All were attired in floor-length dresses of organza over taffeta featuring scoop necks with pearl trim, three-quarter sleeves accented with bows, and flowing trains held by back bows. They wore pearl-trimmed headpieces and carried bouquets of carnations tinted aqua and turquoise with white roses, matching their gowns.

Tim Perry of Grayling was best man. Ushers were Ron Dobson of Davison, the bride's brother, James Bond of Portland, brother of the bridegroom, Pat Cox and Larry Andrews of Grayling. Richard Swaff, cousin of the bride, was ringbearer.

The bride's mother wore a pink sheaf dress of organza over taffeta with matching coat and white accessories. Mrs. Bond chose a turquoise dress with pleated skirt set off with white accessories.

A reception was held at 7 in the evening at the Caro Gun Club. Assisting Mrs. Dobson were Mrs. Ron

John Lafuszek Attends Kiwanis Convention

John Lafuszek of Grayling, attended the 49th annual convention of Kiwanis International at the Sports Arena in Los Angeles, California. A total of about 16,000 people were on hand for the affair, one of Kiwanis' largest.

Kiwanians and their families hear from top personalities during the four and a half day meeting. Charles A. Swain, Cape May, New Jersey, President of Kiwanis International; Edwin P. Neilan, Chairman of the Board, Chamber of Commerce of the United States; Lieutenant General Victor H. Krulak, USMC, Commanding General, Marine Force, Pacific; actor Ronald Reagan; Dr. J. Vernon McGee, Pastor, The Church of the Open Door in Los Angeles; TV personalities Gale Storm and Lorne Greene; and Oscar-winning costume designer Edith Head of Paramount Studios.

Business transacted included the election of international officers and trustees for the year ahead, adoption of convention resolutions upon which the organization's community service programs will be based, and the recognition of top Kiwanis clubs and districts from throughout the organization for excellence in community service and administration.

Featured on the program, also, were some 30 amateur musical groups and performers sponsored by Kiwanis clubs; the 50-state flag team and band from U. S. Naval

Training Center, San Diego; a special "Kiwanis Queen for a Day" program emceed by TV personality Jack Bailey; a musical evening on June 30 featuring songstress Helen O'Connell, singer-comedian Dennis Day, banjoist Eddie Peabody and many others; and Kiwanis International Night at Dodger's Park on July 1 with Ki-

Know What You're Voting For . . .

The "Get Out the Vote" campaigns are beginning as November approaches. One attractive leaflet is entitled "Just One Vote" and is aimed squarely at the eligible voters who stay away from the polls. And they amount to a disgracefully large number. In 1960, a presidential election year, more than a third of the voters failed to exercise their right of franchise — a right which is at the very heart of representative government and a free society. In the off-year elections of 1962 the showing was worse still, with more than half of the eligible voters staying away from the polls.

How important is one vote? It can actually determine the result. In recent elections, a mayor, a city treasurer, a councilman and a state legislator won office by just that margin. And, moving up the ladder, the late President Kennedy's plurality in 1960 was less than one vote per precinct. His margin of victory was less than 120,000 votes out of almost 69 million cast.

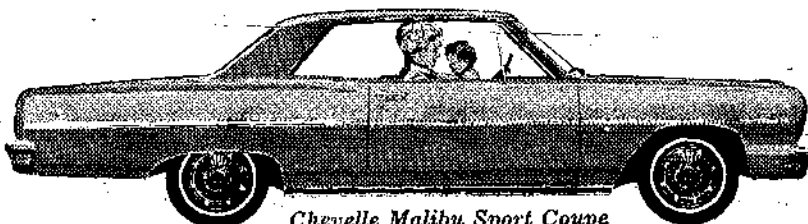

So much for facts and figures. Another point needs stressing. The country doesn't need "Just Voters." It needs "Informed Voters" — men and women who study the issues and the positions of the candidates, all the way from town and country to Capitol Hill and the White House and know exactly what they are voting for.

So — vote, and vote intelligently for the people and the principles you believe in.

The home of Mr. and Mrs. Sam Horning and its contents were destroyed by fire early Monday morning, the flames chasing the family into the street. Mrs. Horning was awakened at 2:30 by the family dog who came to her bed barking furiously. Getting out of bed she discovered the kitchen and living room of their home in flames. Awakening Mr. Horning they hurriedly carried their four little children to safety from the burning building. Except for an armful of clothes and a radio, nothing was saved. It is not known just how the fire started.

The musical treat of the year is in prospect for Northern Michigan with the appearance of Paul Whiteman and his 17 piece band at the National Music Camp at Interlochen, July 21.

Some one accidentally started a fire between the Paul Jones and C. Rowland cabins Sunday at Camp Arrowhead, but by quick action of the Crawford and Kalkaska fire wardens no great damage was done.

Ruth Feldhauser, daughter of Mr. and Mrs. Paul Feldhauser, and Jess Cruz, Jr., son of Mr. and Mrs. Jess Cruz of Mt. Pleasant, were united in marriage Friday evening at 8 o'clock at the Michelson Memorial church parsonage. Rev. H. W. Kuhlman officiating. Miss Carol Case and Donald Feldhauser were their attendants. Mrs. Cruz was born in Grayling and attended Grayling schools, graduating with the class of 1941. The newlyweds left Tuesday for Mt. Pleasant where they will make their home for the present.

At a very pretty ceremony at 5 o'clock Saturday afternoon June 29, Lois Koorn, daughter of Mr. and Mrs. Perry Koorn of Mt. Morris, and Mr. Russell Winterlee, son of Mr. and Mrs. G. A. Winterlee of this city, spoke their marriage vows in the presence of 54 relatives and friends. The ceremony took place at the Grange Hall in Mt. Morris. Sunday the newlyweds left on a short honeymoon trip in Upper Michigan, and on their return will make their home in Flint.

Mr. and Mrs. Roy Lovely and Mr. and Mrs. Ernest Lovely and baby spent the weekend in Flint. Mrs. Roy Lovely remained for a longer visit.

A pre-nuptial linen shower was given for Miss Jean Peterson at the Welsh summer home Saturday afternoon with Mrs. Frank Barnett, Mrs. Fred Welsh and Miss Gail Welsh as hostesses. There were four tables of hearts in play throughout the afternoon. Mrs. C. R. Keyport having the winning score. Other guests sewed on towels for the bride-elect. Following the lunch Miss Peterson opened the attractive packages of linens. She was assisted by her sisters, Misses Virginia and Beatrice. Garden flowers arranged in baskets and bouquets made a delightful setting for the very pleasant occasion.

Fire supposed to have been caused from electric wires, destroyed the home of Mr. and Mrs. Eberhart Olson, corner of Gageway and Maple streets early Saturday morning. About 12:30 that night Mr. Olson, who was alone home, was awakened by neighbors saying the house was on fire. Going up to the attic they discovered that it had started just where the electric light wires came into the house. Soon the flames were bursting through the side.

Someone has said that it is possible to do more with a smile than with a hundred words. We won't argue the point. But we do know that friendliness and courtesy are contagious. Take, for example, one of those days when everything seems to be going your way. Think about it and you'll realize that you encountered some real nice folks during the course of the day.

How long has it been since you have given the friendly and courteous folks in our

business community a chance to please you? If, for any reason, you have gotten out of the habit of shopping locally, may we suggest that you do so next time you have a particular need?

We think you will appreciate the type of friendly service that awaits you. We think you will also re-discover that local stores offer merchandise equal to that found anywhere, and usually at a better price. And, this we know, is sure to bring a smile to your face.

REFRIGERATOR-FREEZER
that never needs defrosting

Today's modern refrigerator-freezers are all defrosting in both refrigerator and freezer sections. This means no frost ever... no food packages, no cube trays or walls... no defrosting drudgery ever... no scraping, no chipping, no prying, no runny pans of water to empty (or spill).

In addition, the new refrigerator-freezers will:
• Store enough fresh and frozen foods to last for weeks.
• Have extra trays to hold meat, poultry, fish and seafood.
• Keep leftovers fresh and tasty until needed.
• Have money because the large freezer compartment allows you to buy meats, vegetables and baked goods when prices are low.

School Progress Report

(As of July 6th)

The status of work completed and scheduling of the balance of work required by all trades was reviewed at a meeting held at the building site on Monday, July 6, 1964. Terrazzo placement and grinding is progressing satisfactorily. It is contemplated that all terrazzo will be done and rough-grinding completed by the end of this week. Finish grinding and seal will be scheduled as one of the final items to avoid all possible construction traffic over finish floor surfaces.

Quarry tile and ceramic tile work will be started within the week. The kitchen floor and large toilet rooms should be given priority where possible to allow fixtures to be installed as soon as possible. The walk-in cooler is to be completed by Wigginton Company as soon as possible to allow quarry tile to be placed.

The ranges and some portable items of kitchen equipment are currently on the site. It was reported by Mr. Barnes of Wigginton Supply Company that fabricated equipment is scheduled for shipment on July 17, 1964.

Liquid tile is to be commenced this week. This work should be sequenced with the kitchen and areas where fixtures are required such as toilet rooms be done first to give as much lead time as possible to the trades following. In answer to a question regarding colors it was clarified that no changes in color have been made from the approved color scheduled dated September 18, 1963.

All radiant heating piping is complete with the ceiling panels installed in approximately 90 percent of the area. The suspended grid system and 2" x 4" lay-in panels is currently in progress. It is estimated approximately two weeks are required to complete all ceiling areas.

Wardrobes and sink cabinet units for classrooms are being installed currently. The stainless steel sinks are being installed and connected as these progress. Several other items of millwork required elsewhere are presently not on the job site. No problem of delivery is expected however.

Tackboard and chalkboard installation is complete except for the section of tackboard required over the base cabinet of each classroom.

Resilient tile is on the job site. The General Contractor reports laying of tile is scheduled to commence Monday.

A quote has been submitted to the Architect's office to furnish and install the lighting fixtures in the two canopies reinstated in the general contract. Upon confirmation by the Architect's department, a field work order will be processed to include this additional work in the electrical contract.

The electrical contractor reports all fixtures are currently on the job site and are being installed as rapidly as the installation of finish ceiling areas permit.

The relief units to be mounted on the roof are reported by the Mechanical Contractor to be scheduled for shipment within the next few days. These will complete all required roof units for the air handling system.

Exterior sidewalks, curbing and steps are complete. Spreading of topsoil and finish grading will be done the latter part of July. Seeding is to be scheduled by the General Contractor for no later than August 15.

The General Contractor advises the original target completion date of August 1, 1964, is expected to be met. No difficulty is expected by either mechanical or electrical trades to meet the approximate same completion schedule of the General Contractor.

The procedure for a preliminary and final inspection was briefly discussed, however, the dates of the inspections were left open until such time as the exact completion schedule can be established.

Those attending the meeting from the school board were Supl. Joseph Stripe, Matilda Bishop, Mrs. Robert Strong and Sandy Thompson.

Twilight Twirlers Have Busy Schedule

Fifteen members of the Twilight Twirlers marched Thursday, July 9, in the Children's Parade as part of the Cherry Festival at Traverse City. Although they were scheduled to march in the Grand Floral parade on July 10, they were unable to go back the second day. The girls marching were Monica Stephen, leader, Cindy Dyer, mascot, Arvilla Galvani and Jackie Hull, banner girls, Marie McIsaac, Debbie Miller, Mary Wilson, Nancy Brown, Debbie and Nancy Bartholomew, Pennie Taylor, Elizabeth Halsestad, Gail Desco, and Patricia Christian (her first parade).

By coincidence, the Twirlers marched directly in front of the Rochester High School band, from Mrs. Jack Hull's home town. She is the mother of Jackie Hull.

Saturday, July 18, the unit will travel to Cadillac to march for the Cadillac Sports Spectacular parade. The following week on the 25 they go to Charlevoix for the Venetian Festival, and on August 2, will march in the Blue Gull Festival at St. Helen. There are other pending parades during the summer and early fall.

\$2,052,000 Spent For Food Locally

(Special to the Avalanche)

New York — Financially, the past year was a good one for most residents of Crawford County and they spent their money accordingly.

As a result, retail merchants had a banner year. Nearly all of them were able to report substantial gains over 1962.

Sales of cars, food, furniture, clothing, drugs and other items were at a high level.

The facts and figures on the local spending performance come from a nationwide survey made by the Standard Rate and Data Service. It shows how much was spent for various commodities by people in each section of the country.

In Crawford County, food was in a top position. The outlay in this direction amounted to \$2,052,000, exceeding the previous year's \$1,772,000.

It covered expenditures in grocery stores, butcher shops, supermarkets, bakeries and in other stores that sell food for home preparation and consumption.

Not included was the money spent in dining and drinking places. The take-home food bill represented 25 cents out of every dollar spent during the year in all the local retail stores.

If the \$2,052,000 food tab were divided equally among all the local households, each one would have a bill of \$1,415 for the year.

Elsewhere in the East North Central States, food bills averaged \$1,095 per household, or 44 percent of the Michigan \$1,415.

Consumer buying strength was in evidence in other retail lines also, the SRDS report shows.

Gross sales of automobiles, motorcycles, trailers, boats and other automotive equipment came to \$1,871,000 in the year. It was equivalent to 23 percent of all retail spending.

Department stores and variety stores carrying general merchandise recorded a total of \$209,000, equal to almost 4 cents of the retail dollar.

Apparel shops, including those selling hats, shoes and clothing, accounted for \$209,000, or 4 cents. Stores selling home furnishings, furniture and household equipment had a \$100,000 year. They got 2 cents of the dollar.

Another good year appears to be in the making for the nation's retailers. Consumers, most of them armed with more money than they had in 1963, thanks partly to the tax cut, are continuing to spend freely.

Frederic News

By Mrs. Harry Horton and Mrs. Betty Nowlin

Mr. and Mrs. Edward Ingerson and family of Kent City spent the holiday weekend with his uncle and family the William Nowlins.

LETTERS TO THE EDITOR

To the Editor:

I wish to add my voice to the many others commending the Grayling City Firemen for the splendid Independence Day celebration they provided by their untiring and unselfish efforts. While the merchants gain was direct and measurable in dollars and cents, the firemen benefited solely in the satisfaction of an enormous job very well done, and were rewarded only by the knowledge that they had contributed hugely to the vast wholesome entertainment of a great many people.

The Grayling merchants owe a large debt of thanks to these men for the largest crowd of people gathered in Grayling in many years. Aside from the fact that a great deal of money was spent here that day, there is the less tangible gain in that likely there were people here for the first time who will long remember a happy day and the warm hospitality enjoyed here and who will return again, as well as telling others of the event. This kind of publicity cannot be purchased at any price.

There is the equally important fact that the celebration provided youngsters (and their parents) with a full day of fun such as they had never known in the friendly, wholehearted competitions in which they vied. Healthy, joyous civic events such as this can go far in turning out better children today in to men and women of integrity tomorrow, and are far less costly than the maintenance of even one outcast in prison for life.

This is a project which surely merits the support of every merchant, every organization and every civic-minded person in the community. We cannot ask or expect the firemen to continue to bear the full burden of an undertaking of such magnitude.

May I suggest that each organization in town start now planning

fund-raising activities for the coming year, or in lieu of that, at least write a sizeable donation into their budgets for 1965 in support of the firemen. I would urge every merchant to contribute as much as possible to help make this a continuing, annual event, growing in dimensions each year. And may I further suggest that individuals offer their services to help ease the load of such a large job.

I would like to volunteer now any help that I can give, in whatever capacity needed, for next year's holiday.

And again, our sincere gratitude to some fine men who have again proved that a small dedicated group can provide unexpected and gratifying big results.

Chamber of Commerce Minutes

Regular meeting of the Crawford County Chamber of Commerce held July 9, 1964.

The meeting was called to order at 5:10 by Vice-President Carol Wert.

The treasurer's report was discussed and accepted as read. A motion was made by Bill Tufts and seconded by Frank Bond that the monthly bills be paid. Frank Bond, Treasurer, will be coming to the office to check the financial records for the month of June.

The Board discussed the Chamber Bulletin and decided to discontinue it until September, due to the absence of the regular secretary, Marge Roper.

Word was received by the Chamber that the Northeastern Michigan Region S.C.C.A. will be holding their race in Grayling during the month of May, 1965.

The Chamber Board would like to take this opportunity to thank all those who were on the Sports Car Committee. Your work and guidance made the race a grand success.

Thanks to the planning and work by the firemen, the 4th of July celebration turned into a fun filled day for everyone. The Chamber of Commerce hopes this will become an annual event, and that the people of Grayling will help and plan this event to make it better than ever.

Frank Bond moved the meeting be adjourned at 5:45 and Carol Wert seconded the motion.

Next meeting to be held July 23.

School Board Minutes

Minutes of Grayling Public Schools Board of Education held June 8, 1964. Bill Joseph, Secretary.

Regular meeting of the trustees of Grayling School District No. 1 was called to order at 8:00 p.m. in the Homecoming room by Dr. B. E. Henig, President.

Present: Trustees James Baker, Matilda Bishop, Dr. B. E. Henig, Bill Joseph, LeRoy Millikin, Eva Strong, and Gordon Thompson, and Supt. Joseph Stripe, Mrs. Eli Beery, and Mrs. Richard DuBois.

The minutes of the meetings held on 5/11/64 and 5/18/64, were read, corrected, and approved.

The secretary reported that a Final Order had been received, allocating five mills for the coming school year. The secretary also reported on the attendance for all trustees for the past fiscal year; 26 meetings have been held.

The superintendent and treasurer reported on the financial condition of the district. As of May 31, 1964, the balances of the various funds were as follows: General Fund, \$37,632.52, Debt Retirement Fund, \$33,581.62, Building & Site Fund, \$47,000.00 in savings funds, \$1,032.07 in commercial account. Moved by Millikin and supported by Baker that we pay bills numbered 4555 through Nos. 4592, in the amount of \$46,916.69, from the General Fund. Motion carried. It was estimated by the superintendent that the General Fund would amount to approximately \$39,959.46 by the end of this month, which should take care of the balance of salaries due, our annual audit, painting high school interior, blacktopping at new school, and some equipment for the new kitchen.

Moved by Strong and supported by Bishop that the Superintendent obtain bids for all paint to be used in rehabilitation work in high school building. Motion carried.

Moved by Strong and supported by Bishop that we obtain bids for blacktopping playground areas at the new school. Motion carried.

Discussion was held on proposed budget and public hearing for same. Moved by Joseph and supported by Millikin that we meet on June 15, 1964, in High School gym, at 8:00 p. m. for purpose of holding a Public Hearing on our budget for 1964-65, and that the superintendent be authorized to add the sum of \$1500.00 for extra-curricular student activities, to be paid from the General Fund for such activities as meals, transportation, etc. for students representing our school in other communities. Motion carried.

Many other minor matters were discussed, and there being no further business to come before the board, the meeting was adjourned at 9:30 p.m.

Dogs... dogs... dogs. 279 of them got their rabies shots at a clinic held at the Grayling Fire Department building on Thursday, July 2. Pictured above are some of the patients with their owners and clinic aids. Dr. D. M. Hird, veterinarian of Gaylord who administered the shots at the clinic stands behind the table.

Strong, and Gordon Thompson, and Trustee-elect Robert Smock and Supt. Joseph Stripe.

President Henig explained that the purpose of the meeting was to hold a Public Hearing on the budget for 1964-65 fiscal year. After some discussion, and there being no objections presented, it was moved by Millikin and supported by Baker that we approve the attached budget for the school year 1964-65. Motion carried.

The secretary read the results from the board of canvassers on the recent election, held on June 8, 1964, as follows:

On Proposition No. 1 — 223 votes were "Yes", 152 votes were "No".
 On Proposition No. 2 — 208 votes were "Yes", 137 votes were "No".
 17 votes were spoiled.

State Auditor General Must Be Replaced

WHO'S WATCHING
 Replacement of the elected Auditor General by one appointed by the Legislature is ordered in the new Constitution.

Implementation of this provision failed in two attempts this year. Administrative problems could result in January if no agreement is reached by then.

Gov. Romney has indicated he would call the Legislature into special session after the election to resolve this problem if he thinks agreement can result.

Current Auditor General Billie S. Farnum would serve in his post until a successor is appointed under the provisions of the Constitution.

That is, he would serve unless he chose to run and was elected to another office, such as Congressman. In this event, Michigan would be without an Auditor General until such time as one was appointed.

Work on the Auditor General law was done by the Legislative Audit Commission, a joint House-Senate body working since 1962. It has been labeled the "watch-dog committee" which checked and rechecked much of the work of state departments which also was reviewed by Farnum's office.

Objections to the Commission's previous recommendations for methods of appointing the Auditor General centered around the power position the Commission wrote into the law for itself.

Some legislators said the proposed measures would have placed the Commission entirely in charge of the auditing process. The appointive Auditor General would have been a glorified errand boy.

The Constitutional provision was designed to give the Legislature closer control over use of funds they appropriate to various state agencies.

Most members felt, however, that the Auditor General should continue to have basic administrative independence to carry out his job.

TEACHERS LEARN
 Every fall, thousands of Michigan school children get one or two days off while their teachers and school administrators attend regional conference sessions.

After a full summer of contending with the children day in and day out, many mothers gasp, "Oh, no, not another day off?" They loudly wonder at the purposes and effectiveness of the short refresher sessions for the teachers.

A look at the activities of a teachers conference answers these questions. Teachers hear general discussions of state, national and

world problems in education and attend smaller meetings dealing with their special field.

Classroom communication, international understanding, quality education and aerospace education are typical subjects for general discussion of concern to all teachers and administrators.

In addition there might be as many as 75 to 100 smaller meetings dealing with such specialized teaching interests as beginning teacher activities, extra-curricular social problems, the slow learner, team teaching, or teacher education and professional standards.

New techniques in teaching reading, under-achievers, elementary art, business, foreign languages, English, math, the sciences, and even Kindergarten also get attention at the sessions.

One theory behind the conferences is that not every teacher can or does spend the summer studying new techniques in his field.

Every teacher needs periodic reviews of the methods and aids available, however, and conferences such as those sponsored annually by the Michigan Education Association provide exposure to these for every educator.

From the one or two-day conferences, it is up to the individual teacher to carry on with his ever-continuing education.

WHO CARES?
 Acute examples of human indifference for the well-being of others first were noted in New York City.

More recently, however, several incidents involving needless human suffering have been reported in Michigan.

Two boys drowned because nearby fishermen did not heed a third youth's pleas for help in rescue. A woman died for failure of neighbors to listen to her screams of torment by assuiling teens. These are the most notable examples.

It would appear some revision of moral standards would be in order. An Internal Peace Corps, or domestic "CARE" program might be appropriate to instill a sense of individual responsibility for the plight of other persons in need of more than compassion.

Surely no one wants to risk the ire of a robber or assaulter by interfering where this would be the only result.

Most of the recent cases, how-

Vacation Aids

For anyone planning a vacation in Michigan, here are a few "must" publications available from the Conservation Department. The lineup includes the folder "Michigan's Shore-to-Shore Riding-Hiking Trail," featuring a map of a new route for recreationists. Also new is the directory "Michigan Water Access Sites" which pinpoints about 575 public entry points on lakes and streams. Next is "Michigan Canoe Trails" which lists and shows 59 paddling runs, their camping places and other features. For fishermen, there's the "1964 Directory of Lakes and Ponds Planted with Trout." Another folder full of help is the "1964 Campground Directory" which lists places to stay at state parks and forests, national forests, county and local parks. All of these folders are free from the Department's Publications Room in Lansing or any of its field offices. Serving as handy companions to each folder are the Department's new, improved maps which are available in single sheets and books from the Publications Room for all counties in the Upper Peninsula and southern Lower Peninsula. Map sheets can be obtained for most northern Lower Peninsula counties. Price of each book is \$1 plus tax. Any person can get a single sheet for one county without charge; each additional copy costs 10 cents.

BITS O' TALK

Mr. and Mrs. Arnold Babbitt and children Connie, Cathy and William of Kalamazoo spent the weekend of the 4th with his parents, the Dan Babbitts.

Mr. and Mrs. Harold Longdyke and Doreen vacationed at the Hide-out over the July 4th weekend. While at the cabin, Doreen, much to her mother's regret, came down with the measles, which took care of Doreen's vacation fun real quick. Better luck next year Dee. The Longdykes had as their guests Mr. and Mrs. Gerald DeVinegar of Detroit and Clearwater, Florida, who have been friends of the family for more than thirty years and who helped the Longdykes build their "Dream Cabin" in 1937. Many fond memories were brought to mind while reading the Guest Log from way back when. Joanne and Harold drove up to join the folks in the holiday fun. Mr. and Mrs. Ray Roenieson, who are vacationing in their cabin on the Main-Stream, were among friends who came to pass the time of day.

Mr. and Mrs. Burt Perry left Wednesday of last week for Detroit to spend ten days, to two weeks and plan to return to enjoy a few months in Grayling before returning to their home in Florida. They were guests of Mr. and Mrs. Fred Wiehe while here.

Mr. and Mrs. George Kanabor and family of Ashley, Ohio, stopped Wednesday of last week to visit his old war buddy, Homer King and family. Homer and George were at Camp Fannin, Texas, 20 years ago. The Kanabor family was on their way home from the upper peninsula.

Mr. and Mrs. Bill Rankin and daughter Nancy of Kent, Ohio, spent from Thursday to Saturday July Fourth camping at Shupac Lake. They were accompanied home by Mrs. Alex Atkinson, and they brought her home with them when they came last Wednesday for more camping at Shupac until Sunday. The Rankins are former residents.

In Michigan... after a swim, beer is a natural

On a hot summer day, a dip in a cool stream can be wonderfully refreshing. Equally refreshing when you're relaxing afterwards with friends is a hearty glass of beer. There's hardly another beverage around that suits what you do for fun as much as beer. Camping, hiking, or just lounging on a lawn chair—beer brings to each just the right touch of extra good living.

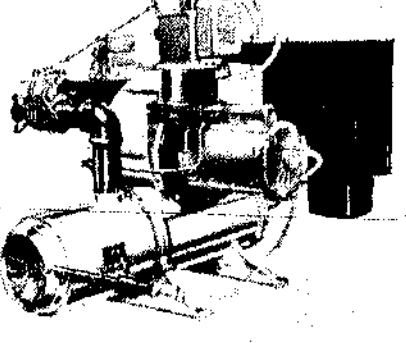

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Michigan... beer goes with fun, with relaxation

On the luncheon committee were Mary and Priscilla Pettengill, and Mary Jane Knibbs.

A two-ball foursome will begin at 3 p. m. Sunday, July 19th, at the Country Club course, dinner at the clubhouse included.

PONY TALES
By JANET W. OLSON

How many times have you heard someone speak of their pony as twelve hands or thirteen and a half hands? Did you wonder what on earth they were talking about? A pony or horse is measured in hands, and there are four inches in one hand. When someone says that his pony is thirteen hands, that would mean that this pony is fifty two inches measured from the ground to the top of his withers. The withers are the highest part of the shoulder. If the pony is fifty four inches then he is thirteen hands two inches or 13.2. A pony may be any height as long as it is not over 14.2 hands. A horse may be any height over 14.2. So you see you can have a pony and a horse and yet only have an inch difference in their height.

Have you ever seen a baby pony in a field and said, "Look at the little colt?" Perhaps you were right if the little one was a male, but unless you knew this you would have been wiser to say, "Look at the little foal" as a pony, be it male or female, is a foal from the day it is born until it becomes a weanling at from four to six months. You can say a filly foal or a colt foal if you know the sex. A filly foal is female, and a colt foal is male.

When a pony reaches four years of age it is known as a mare, if it is female, and a stallion or gelding if it is male.

If you hear someone speak of their pony's Dam they are speaking of that pony's Mother. The Sire is the pony's Father. If a pony is out of "Sunday Dream" by "Streak" then you should know that "Sunday Dream" is pony's Mother and "Streak" is the Father.

HINT FOR THE WEEK — If new foals have arrived take a few minutes a day to brush and handle these little ones. It will gentle and quiet them and make a world of difference when you start their serious training.

Anyone having a question concerning Ponies, may write to Pony Tales, c/o Avalanche and your questions will be answered in the column.

Bits O' Talk

Mrs. William Gannon and family of Marquette returned to their home after a two-week visit with her parents, Mr. and Mrs. Dick Lovely. Bill brought them down and came for them.

Jim Badard of Detroit has been spending the past month with his sister and family, the Duane Sloans, and began last week working at Camp Grayling for the summer.

Virginia and William Laurent were visited by Robert Gaylord, grandson of Robert Gaylord who formerly ran the B.C.D. Electrical Company of Grayling. He stopped on his way to the U.P. to see what changes Mrs. Laurent has made in the cottage after purchasing it some years ago. Mr. Gaylord spent a lot of time with his grandfather on Lake Margrethe. He informed the Laurents that his grandfather had died about 2 1/2 months ago. Mr. Gaylord is a test driver for Ford in Detroit.

Gary Card of Flint spent the weekend of the Fourth visiting the William Laurent family after bringing Robert and Deborah Miller home for the holidays after visiting their father in Flint for a week. Robert Miller is spending the rest of the summer with his father, Robert Miller and family in Flint, who camped at Lake Margrethe State Park recently and took him back with them. Mr. Miller also visited his children Debbie and Connie Miller at the William Laurent home while here.

Mrs. Merla Trenary, formerly of Trenary's Motel, is attending summer school at C. M. U. Mt. Pleasant and will teach near Hart, Mich. come the fall term. She will make her home in Walkerville. Mrs. T. will be missed by her many friends in Grayling.

Mr. and Mrs. Carlton Wythe of Brooksville, Fla., came June 30th to spend some time with his sister and husband, the A. P. Feldhauser. On July Fourth callers at the Feldhauser home were their children and families, Mr. and Mrs. Al Roth and two children of Bay City, Mr. and Mrs. Jess Cruz and daughter and Mr. and Mrs. Hank Feldhauser and four children all of Alma. Tuesday of last week Mr. and Mrs. Cecil Heiser of Olivet called on them.

Mr. and Mrs. Paul E. Oaks of Lafayette, Ind., arrived Thursday for a week's visit with his sister and husband, the Olin Williamsons. Mr. and Mrs. Oaks only recently returned from Pakistan where he had served under the State Department.

Local Sailor At Naval Training Center

Great Lakes, Ill. (FHTNC) — Michael J. Hunn, 17, son of Mr. and Mrs. James A. Hunn of 301 Madison St., Grayling, Mich., is undergoing two weeks active duty recruit training at the Naval Training Center, Great Lakes, Ill.

He is receiving training in naval history, military drill, seamanship, gunnery, ordnance, first aid, swimming, damage control and sentry duty.

Upon completion of training he will return to his local training center for regular training sessions.

Pictured above are, left to right, the former Verna Seleskey, now Sister Ann Jeffrey, and the former Barbara Seleskey, now Sister John Michael. Sister Ann Jeffrey took her vows as a Dominican nun May 31, 1964, and her sister on May 30, 1964, both graduating from Marywood Academy, Grand Rapids. They are granddaughters of Mrs. Minnie Hartley, and former Grayling residents.

Letters To The Editor

July 8, 1964

To the Editor,
I was proud of Grayling Saturday, July 4th. I was proud of the people who donated money—those who participated in the events and co-operated in any way to make the celebration such a huge success.

The greatest share of my pride was in the Grayling Fire Department. These men are to be commended for the time and energy involved to make this day possible. Many thanks in the department.
Sincerely,
Rose, Duley

Costume Party Enjoyed At Country Club

The Beverly Hills costume party at the Grayling Country Club provided a most entertaining evening for the twenty-five members and guests attending. Games, dancing and midnight lunch were the program. Prizes were won by Les Welch and Gloria Kraus for the games played, Jeanette Henig won the prize for the best costume, and Billyann Brown won the doorprize.

The committee in charge of the party was the Leonard Knibbses, the Bill Stewarts and the Don Sherwins.

ALBERT E. CONFER LAID TO REST

The community was saddened late Saturday afternoon when Albert E. Confer, better known as Bert, passed away at his home down river at the age of 81.

Bert was born October 16, 1882, the son of John and Sophronia Confer, in Shawnee Co. At the age of 8 he moved with his parents to a farm near Crump. Bert's father not only owned the farm but also operated the first sawmill in Crump for over 20 years. Bert continued in his father's footsteps, but only in the sawmill business but drilling water wells and for a time operated a saloon in Crump. From there the family moved to Flint, and Bert worked for several years in the Buick and Chevrolet plants.

In 1927 he came to Crawford County because of poor health, and has resided here ever since, living first in Beaver Creek and later in Grayling. He grew up working in saw and shingle mills and was most happy leading an active outdoor life.

In 1905 he was united in marriage with Maggie Duford, and to this union eight children were born. She, with three sons, R. C. Emory and Bert, preceded him in death.

In 1941 he married Ruth Heinemann, his second wife, and in 1942 they accepted a position as caretakers at the Whip-poor-Will Lodge on the main stream of the AuSable River, working for the Bromley Property Inc. and Mort-Neff.

Bert is survived by his widow, Ruth, two sons, Alvin of Flint and Walter of Grayling, three daughters, Mrs. Albert (Hazel) Schreiber, Mrs. John (Connie) Duffy, both of Grayling, and Mrs. Ernest (Eveline) Lovely Sr., of Auburn, a brother, Frank of Bay City, twenty-one grandchildren and forty great grandchildren, besides a host of friends and neighbors who will mourn his loss.

Funeral services were held at the Sorenson Funeral Home Tuesday, July 15, at 11 o'clock in the morning. Mr. Raymond Stutz of Houghton Lake officiated. Grave-side services and burial were at the family lot in Garfield Cemetery in Crump at 2 o'clock Tuesday afternoon. Six of his grandsons served as pallbearers.

THE HALL TREE

(By Esther Hall)

Mrs. Grace (Jennings) Gokey of Bay City, son Jim, and 4 grandchildren stopped overnight at her sister's (Mrs. Milford Hall) at the end of their 4000-mile jaunt-out west. They visited Dean Gokey's near Denver, Colo., and camped in Yellowstone Park.

Mrs. Alice (Jennings) See of Rosedale has been visiting at her son Al's for 3 weeks and at a friend's at Lake City. She will return home on July 12 as will Al also, his family remaining here. The river nearly got the best of a nephew visiting there.

Mr. and Mrs. Enos Jennings of Hazel Park are on a 3-week trip to California, along with their daughter, son-in-law (Eddie Schutt) and granddaughter Debbie of Royal Oak. While his 18-year-old granddaughter Susan is traveling in Europe with a group of students. When last heard from Susan was in London—they had stopped in N. Y. at the World's Fair, and then from London were to go to Paris—also the Alps, Rome, Venice and places of world interest. These students will stay at Universities and study too.

The Steve Jenningses of Hazel Park have been at their cabin in Shaw's Park several times this season, along with the usual visitors.

Mrs. Bonnie (Hall) Richter and friends of Otsego visited her parents overnight, and went up to see the Bridge at night. Her friends were delighted with the Hatchery trout, and very interested in the Trophy room at Bear Archery.

Senator Hart

(Continued from Page One)

administrator of Grayling Mercy Hospital gave the invocation. Senator Hart expressed his pleasure with the splendid representation present from the area. He spoke on the Accelerated Public Works program and the great aid it has been to small communities such as Grayling with its small tax base.

The Senator urged more cooperation between small communities, local government and the federal government. He stated that communities should have pride such as this area does, but not to let false pride stand in the way of progress. They should ask for federal aid when it is needed, he declared.

To have wait until "some day" for the storm sewer system and the new city hall for Grayling would have been "false pride," Senator Hart stated. It is better economically and for community growth to ask the federal government for assistance on this type of program and get them for the community now in order that the area is not bypassed.

He commented that getting to the moon is fine but getting downtown from the airport was more important and that schools, hospitals and other needed community facilities should be given priority.

100 Attend Dinner To Honor New Pastor

The new minister at Michelson Memorial Methodist church, the Rev. John W. Smith and his family, were guests of honor at a pot-luck dinner sponsored by the Methodist Men's Club Tuesday evening July 7th. Over one hundred persons were seated at tables decorated by the W. S. C. S. ladies with small green vases of geraniums and white daisies. A bouquet of garden flowers in a large vase centered the guest table.

Following the delicious meal, Men's Club President U'Harley Russell welcomed Reverend Smith and his family on behalf of the Men's Club and presented him with an honorary membership. Mrs. Clayton Strassley, President of the Women's Society of Christian Service, welcomed Mrs. Smith to Grayling and presented her with an honorary membership to the women's organization. Chairmen of the church boards made short talks, then the program was concluded with a solo by Deyanne Gibson, "It Took a Miracle," accompanied at the piano by Mrs. Arthur Feldhaus.
